18 **BACKGROUND:**

19 On 11/24/2015 at 1506 hours, Deputies Jackson #3603 and Cox #5027 were assigned to assist
20 Child Protective Services (CPS) with an alleged sexual assault investigation at 13876 Fair
21 Meadows Court, Eastvale, County of Riverside. Upon arrival at the location the deputies
22 contacted Child Protective Services (CPS) Social Worker (OTH) Olivia Baker and another SW
23 who told them she had received a referral reference sexual abuse allegations involving (SUS-1)
24 Bobby Harris and his girlfriend (OTH) Crystal Turner. The deputies accompanied the social
25 workers into the residence and observed the home inspection. The entire house was checked to
26 include the shed in the backyard. The garage was not checked due to it being locked and
27 inaccessible. Bobby explained to CPS/Deputies the garage was locked due to construction
28 materials being inside the garage and his neighbor had the only key. The neighbor would let the
29 workers into the garage. This construction was due to a water leak which had occurred on the
30 second floor of the residence. Nothing unusual was located inside the residence or in the shed.

1 The deputies also observed the interviews the social workers conducted with Bobby, Crystal
2 and Crystal's two children, [REDACTED] and [REDACTED]. Crystal's children
3 live with Bobby and her full time while Bobby's children, VIC-1 and VIC-2, are with them part
4 time. After the interviews Baker advised the deputies she would be writing a report, but did not
5 see any signs of abuse. Deputy Cox did not hear anything that appeared "criminal in nature" and
6 advised Bobby and Crystal a report would be written.

7

8 On 11/24/2015 at 2112 hours, Deputies Jackson and Cox were dispatched to Kaiser
9 Permanente Hospital, Riverside, County of Riverside, reference a past sexual assault occurring at
10 13876 Fair Meadows Court. Upon arrival at the hospital they contacted the hospital social worker
11 who made the report. The worker stated the mother of the victims, (OTH) Angelina Harris, of
12 VIC-1 (Male/7 yrs. old) and VIC-2 (Female/5 yrs. old) stated the children had been sexually
13 abused by Bobby Harris (later identified as biological father). The social worker had spoken to
14 VIC-1 and he did not tell her anything about being touched sexually. The worker also stated it
15 appeared the victims had been "coached." At 2112 hours, the deputies met with Angelina and
16 both victims in examination room ten located in the Pediatric Center, Kaiser Permanente Urgent
17 Care Unit. Angelina consented to the deputies speaking to the children without her being present.

18

19 Without Angelina present, Deputy Jackson spoke with VIC-1 (VIC-2 was not present) and he
20 stated he knew the difference between the truth and a lie. He also knew what his private parts
21 were and where they are located. Deputy Jackson asked VIC-1 if anyone had ever touched his
22 private parts and he replied, "No." VIC-1 appeared cheerful while speaking with Deputy Jackson.
23 Deputy Jackson asked VIC-1 a second time if anyone had ever touched his privates and he
24 replied, "No."

25

26 Deputy Jackson spoke with VIC-2 and asked if anyone had touched her private parts. She
27 replied, "Yes, daddy does. He makes me, but I don't want to." Deputy Jackson asked VIC-2 who
28 told her that and she said, "My mommy." Deputy Jackson asked VIC-2 if she would be sad if she
29 never saw her dad again and she replied, "No, I would be happy. He always does mean things to
30 me." Deputy Jackson asked her what kind of mean things he does to her and she said, "I don't

1 know. I don't remember." Deputy Jackson asked VIC-2 if her dad touched her private parts and
2 she said he touched her vagina. Deputy Jackson asked VIC-2 how long he touched her vagina
3 and she described it as a quick tap. Deputy Jackson asked VIC-2 if she wanted to see her dad go
4 to jail and she replied, "Yes." Deputy Jackson asked if she knew Crystal and VIC-2 said she did.
5 VIC-2 said Crystal "touched me the same way daddy did." While VIC -2 was speaking with
6 Deputy Jackson, Deputy Cox observed VIC-2 appeared "unconcerned."

7
8 The deputies contacted Angelina who stated there had not been any signs of sexual abuse
9 while she and Bobby had been married, but there were some signs with VIC-2 after they
10 separated. Angelina said Bobby has a sex addiction that he has seen a counselor for. Angelina
11 stated VIC-2 described Bobby's penis and used her arm to show how big his penis was. VIC-2
12 also told Angelina she "has had to put her mouth on [Bobby's] penis. Deputy Jackson asked
13 Angelina if she told VIC-2 Bobby was going to jail and she said she had not.

14
15 **DETAILS:**

16 On 11/25/2015, I was assigned this investigation and read the initial report by Deputy Cox,
17 which described the events on 11/24/2015. (I also read the CPS referral. I was unable in my
18 search of the internet to locate a sex club called the Red Dragons. On 12/09/2015, I contacted
19 Angelina and asked her to transport her children, VIC's 1 and 2, to Project Kids on 12/14/2015
20 so they could be interviewed at 1000 hours. I explained the interview process to her and she
21 agreed to have the children there at the appointed time. On 12/11/2015, I received a supplemental
22 report from Deputy Jackson which described her follow-up at 13876 Fair Meadows to check the
23 garage. (It was later learned Bobby had removed all the construction material and dumped them
24 by utilizing a U-Haul rental truck.) Deputy Jackson observed the garage had been converted into
25 a workout area and contained weights, a television and various other workout equipment. Deputy
26 Jackson did not observe anything that appeared suspicious. On 12/10/2015, Deputy Jackson
27 received an email from Bobby that contained text messages and other information detailing
28 dealings with his ex-wife, Angelina.

1 On 12/14/2015, VIC-1 and VIC-2 were interviewed at Project Kids by SW Jackie Saldana.
2 Besides myself, also present were Riverside CPS SW Olivia Baker and San Bernardino Child &
3 family Services (CFS) SW Cole Taylor. Olivia advised me she and Cole went to Angelina's
4 residence in Rancho Cucamonga on 12/07/2015 and interviewed both victims. Olivia further
5 stated while at the residence Angelina had been upset by the response of CPS and CFS to the
6 allegations and had begun her own investigation. Angelina had spoken with VIC-2 about the
7 other men involved and conducted a Facebook search and showed individuals to VIC-2 who
8 confirmed they had been in Bobby's residence. Angelina stated she did not believe Bobby would
9 do anything to the children, but believed her children's disclosures. Olivia told me while
10 Angelina was speaking with them, VIC-2 was observed going up and down the stairs at the
11 residence. As VIC-2 would get closer Angelina would raise her voice and when VIC-2 went back
12 up the stairs her voice would not be as loud.

13

14 VIC-1 disclosed he was told to touch Crystal's butt and breast area and was told to touch his
15 father's penis. VIC-2 disclosed she was told by her father to touch herself and that her father
16 touched her. Both victim's said these acts only occurred in the master bedroom at the residence.
17 VIC-2 disclosed she believes VIC-1 was touched because she heard her brother talking about it
18 with their mother while in the car. When the children were asked for specific details regarding
19 the allegations they both answered they didn't remember or they didn't know.

20

21 Both Cole and Olivia stated to me they felt the children had been coached reference their
22 statements. Also, Olivia told me the children never mentioned anything about a sex club called
23 the Red Dragons, sex acts with other adults, or anything to do with whips and chains.

24

25 RCCAT VIC-1

26 The following is only a synopsis of VIC-1's interview. Refer to the DVD for detail. VIC-1
27 disclosed Crystal put his cheeks, hair and head on her "booty." Later during the interview VIC-1
28 also added "boobs" when describing what occurred with Crystal. This occurred two times and in
29 the restroom at the residence. VIC-1 could only say it occurred when he was seven and in the
30 second grade. The first incident occurred before his birthday and the second incident occurred

1 after is birthday. This answer was in response to Saldana's question as to when these incidents
2 occurred; before his birthday or after. When these incidents occurred with Crystal VIC-1 had his
3 clothes on, but Crystal was naked except for a pair of boots she was wearing. Both of the
4 incidents with Crystal were exactly the same. VIC-1 stated the same type of incident occurred
5 with his father two times in the restroom and both times were exactly the same.

6

7 When Saldana asked VIC-1 to tell her everything that happened with his father he appeared to
8 become exasperated that he had to explain it to her. VIC-1 disclosed that while at his father's
9 residence his babysitter kicked him and punched him on one occasion when he was seven years
10 old. VIC-1 was unable to provide any details about this incident. VIC-1 was unable to provide
11 details about the incidents with his father and Crystal. Even though these acts allegedly occurred
12 when he was seven years old or sometime just before he was even years old, VIC-1 was only able
13 to tell of the act itself with no detail when asked. The same was for the alleged assault by the
14 babysitter VIC-1 disclosed at the end of the interview. During the interview VIC-1 never
15 disclosed anything referring to his father being called "Master Bobby."

16

17 RCCAT VIC-2

18 The following is only a synopsis of VIC-2's interview. Refer to the DVD for further detail.
19 VIC-2 disclosed her father touched her on her vagina with his hand over her clothing. This
20 occurred when VIC-2 was five years old. The incident occurred at her father's house in his
21 bedroom. Crystal was also in the bedroom, but was lying on the bed watching television. Her
22 father was wearing a shirt and blue jeans and VIC-2 stated she was wearing clothes like she had
23 on during the interview. VIC-2 identified her private parts as where "pee and poop" come out of.
24 The body part where her father touched her was where "pee" comes from. VIC-2 also disclosed
25 Crystal had touched her the same way her father touched her. This also occurred in the bedroom,
26 but on a different occasion. VIC-2 stated her father was bad and Saldana asked her why he was
27 bad. VIC-2 stated he was bad because he had given her rotten apples to eat. Saldana asked her
28 what was the "baddest" thing her father had done to her and she said it was when he pulled her
29 bed away from her and she fell to the floor. Saldana asked VIC-2 if anyone else has touched her
30 and she said no one had.

1 After the interviews were completed I advised Angelina both children had made disclosures. I
2 discussed a pretext telephone call with her, but after speaking with her, I concluded the pretext
3 could not have worked with Angelina as the caller. Angelina told me there was no one else she
4 knew who could do it.

5
6 On 12/21/2015 at 0830 hours, [REDACTED] was interviewed at Project Kids by SW Jackie Saldana.
7 During the interview [REDACTED] did not make any disclosures reference any type of abuse.

8
9 On 01/15/2016 at approximately 1130 hours, I contacted Bobby at the Jurupa Valley Station
10 to obtain his statement reference these allegations. Also present during the interview was
11 Bobby's attorney, (OTH) Joyce Holcomb. The following is only a synopsis of Bobby's interview.
12 Refer to the DVD for further detail. I gave Bobby a Beheler admonishment, which he stated he
13 understood. I asked Bobby if he is or ever has sexually abused his children or Crystal's and he
14 replied he has not. I asked him why his garage was locked during the CPS visit. Bobby explained
15 the garage had construction materials inside it due to a water leak that occurred on the second
16 story of his residence. He didn't have the key because he had given it to a neighbor so the
17 construction crew could be let in when Bobby was at work. Bobby had offered to CPS to return
18 later that evening on 11/24/2015 to inspect the garage, but they declined. Bobby stated he turned
19 the garage into a workout area. I asked Bobby why did he rent a U-Haul on 11/28/2015 and he
20 replied because he doesn't own a pick-up truck, He rented it so he could get rid of all the
21 construction debris since the work was completed. Also, he had to pick up an elliptical machine
22 for Crystal (Bobby later gave me receipts for the U-Haul and the elliptical machine).

23
24 I asked Bobby if he was part of a sex club called the Red Dragons and/or was into any sexual
25 practices involving whips and or chains or sex tools of that type. I asked Bobby if he had any
26 male only parties at his residence and he replied he did not. He stated he has had a few parties at
27 his residence like for a fight or sporting event. Bobby said he was not part of any sex club and
28 wasn't into that type of sexual activity. I asked him if he watched pornography and he stated he
29 did on his laptop and he would watch it with Crystal. I asked him what type of pornography he

1 watched and he said the normal type. I asked him if he watched any type of child pornography
2 and he replied does not.

3
4 At the conclusion of the interview I asked Bobby if he would be willing to participate in a
5 polygraph examination, which he replied he would. I later scheduled a polygraph examination for
6 Bobby to take place at the Jurupa Valley Station on 01/27/2016 at 1130 hours. The examination
7 would be administered by Ryan Angulo of the County of Riverside Human Resources Polygraph
8 Unit.

9
10 On 01/21/2016 at approximately 1415 hours, I contacted Crystal Turner at the Jurupa Valley
11 Station to obtain her statement reference these allegations. Also present during the interview was
12 her attorney, Joyce Holcomb. The following is only a synopsis of Crystal's interview. Refer to
13 the DVD for further detail. I gave Crystal a Beheler admonishment, which she said she
14 understood. I asked Crystal if she ever sexually abused her children or Bobby's children and she
15 replied she has not. I asked her why the garage was locked during the CPS visit. She explained
16 the garage had construction materials inside it due to a water leak that occurred on the second
17 story of Bobby's residence. Bobby had given the key to a neighbor so the construction crew
18 could be let in when they were at work. Crystal stated Bobby rented a U-Haul to remove the
19 construction debris from the garage and to pick up an elliptical machine for her. I asked her if
20 she watched pornography and she stated she watched it with Bobby. I asked her if she watched
21 any type of child pornography and she replied she did not. I asked her if the children had ever
22 seen any of the pornography they watched or had they left it on where the children could have
23 seen it and she replied no to both questions. I asked again asked Crystal if she had ever sexually
24 abused her children or Bobby's and she replied she had not.

25
26 On 01/27/2015, Bobby was administered the polygraph examination by Angulo. Bobby
27 replied "No" to both of the following questions. "Have you had sexual contact with either of your
28 children?" and "Have you had sexual contact with either of your children in your home?" After
29 the tests were completed I was informed by Angulo that Bobby was found to be *truthful* in
30 response to the two questions Angulo asked Bobby reference the allegations.
